

Lecturer reference on final project:

"Oliver Hasse achieved excellent results in his studies in Digital Design – Audio and Video Formats. He worked with exceptional methodological precision, far exceeding expectations and demonstrating a high degree of professionalism. I was particularly impressed by his independent acquisition of methods and necessary expertise, as well as his keen sense for narrative qualities and audiovisual rhythm as well as storytelling techniques."

Steffen Müller – Academic Lecturer Motion Design at IU Akademie
on the final project "[800A – So Many Wonderful People](#)" by Oliver Hasse
personally released by him for use in job applications, contact via <https://www.smuller.work/>
